EDUCATION

Full Sail University

Dwayne O. Andreas School of Law

Scheherazade Guzzo is an experienced trial attorney in the firm's West Palm Beach Office. She focuses her practice on personal injury cases related to auto accidents.

Prior to working at Morgan & Morgan, Scheherazade worked at the Office of the State Attorney for the 15th Judicial Circuit, here in Palm Beach County, Florida. She fought for victims of DUI crashes, thefts, violent crimes and crimes sexual in nature where she obtained favorable results for victims and the State of Florida.

Scheherazade has a passion for trial and helping others. During her attendance of law school in Orlando, Florida, she joined her school's Mock Trial Team where she went on to become President of the organization in her final year. During her time on the Mock Trial Team, she competed in six competitions, including the In Vino Veritas Mock Trial Competition held in San Francisco, California, where her team was awarded "First Place" and deemed "National Champions". There, she was also personally awarded "Best Overall Advocate" for the competition. Her law school went on to announce and award her as the "Advocate of the Year" and she graduated law school with "High Honors in Litigation and Advocacy".

Additionally, during law school, she interned at a prestigious Plaintiff's law firm where she learned about personal injury cases, auto accidents, slip and fall cases, medical malpractice, class actions, and more. During this internship she was able to learn from experienced trial attorneys and help fight against big companies and fight for the people affected by these cases. That is when she knew she would always put people before profits and fight for those who needed her help.

Scheherazade litigates cases on a contingency-fee basis. If you are involved in a car accident and need help, don't let money stop you. You don't pay unless we win.
