Marion Seitz was previously a public defender for over 4 years and fought for those criminally accused of juvenile offenses, misdemeanors and felonies. While a public defender she was a member of the Russell County Drug Court Team and helped to facilitate rehabilitation for drug offenders.

Ms. Seitz then transitioned into personal injury and social security disability where she represented the injured and disabled in auto accident, premise liability, social security disability, supplement security income and disabled widow benefits cases.

Helping those that can't help themselves has always been a true passion of hers and she strives every day to help make a difference in the lives of her clients.

In he spare time, Ms. Seitz enjoy spending time with my two boxers, Winston and Stella, trying new recipes, practicing yoga and visiting any beach down. Seaside, FL is her go-to spot!
