As a lifelong Florida Native, Dylan was born and raised in Titusville, Florida. After graduating high school Dylan moved to Gainesville, Florida to pursue a degree at the University of Florida. While in Gainesville, Dylan was the President and a proud member of the University of Florida TriGators Triathlon Team. During his time on the team, the Gators took home four straight Florida Collegiate Triathlon Conference Championships. Dylan received a Bachelor's Degree in Sports Management and Political Science.

Dylan then graduated from the University of Florida Levin College of Law. During his time in law school, he served as an Executive Editor for the Florida Journal of International Law and Student Representative for the UF Student Bar Association. Additionally, during his time in Gainesville, Dylan served as the Race Director of the "Escape the Swamp" Triathlon. While working part-time in law school, Dylan quickly learned it was his desire to concentrate his legal career in the practice of personal injury law. Immediately after law school Dylan joined Morgan & Morgan as an Trial Attorney working out of the Tampa office.

Outside of the office, you can find Dylan training for IRONMAN Triathlons, cheering on the Florida Gators, or spending time with his golden retriever, Emma.
