EDUCATION

Southern Methodist University Dedman School of Law in 2017

Kristopher Bonham is an experienced products liability attorney who has helped recover millions for his clients injured by defective and dangerous products. Since graduating Southern Methodist University Dedman School of Law in 2017, Mr. Bonham has worked exclusively on complex products cases involving a multitude of unique legal issues across a variety of jurisdictions.

Mr. Bonham is licensed in Texas and Florida but regularly is granted temporary admission Pro Hac Vice to represent clients in other states working in conjunction with local Morgan & Morgan attorneys. This allows Mr. Bonham to leverage the nationwide footprint of Morgan & Morgan and provide expert products liability litigation support where it is needed.

Mr. Bonham's practice is solely focused on ensuring that manufacturers, importers, distributors and sellers of defective products compensate their victims. Mr. Bonham does not represent insurance companies or corporations but exclusively works for the people taking a hands-on personal approach to obtain justice for his clients.

In his spare time Mr. Bonham enjoys spending time with his wife, daughter and their three dogs.
