EDUCATION

Florida State University 1991

Florida Coastal School of Law
2003

I worked as a bodily injury claims adjuster with one of the largest auto insurers for thirteen years. After graduating law school, I opened a firm with my uncle and practiced for almost six years. I then moved on to one of the largest personal injury firms in Northeast Florida. I relocated to the Orlando area to handle litigation for most of Central Florida for that firm. After a little over ten and a half years with that firm, I decided to come to Morgan and Morgan. Overall, I have been handling bodily injury cases in excess of 30 years.
