EDUCATION

Auburn University with a degree in economics

Cumberland School of Law, cum laude

Charles Greene, with a background spanning over a decade in defending large corporations, has shifted his focus to advocating for individuals facing challenges against these powerful entities. His journey is defined by an unwavering commitment to representing his clients zealously. Notable successes include securing $300,000 in compensation for severe injuries from a dog attack, $250,000 for injuries from a facial strike, and obtaining $550,000 in damages from a car wreck. Additionally, he has garnered significant verdicts and settlements in excess of $80,000,000, including notable verdicts of $70,000,000, $750,000, and $450,000, among others.

In the legal arena, Charles Greene firmly believes in providing a level playing field for individuals to confront large corporations. He considers it his responsibility and passion to ensure that his clients' voices are heard and their rights are upheld. With extensive courtroom experience and a profound understanding of personal injury law, he navigates complex legal proceedings to hold negligent corporations accountable. His membership in the Alabama Association for Justice reflects his commitment to justice and advocacy for the injured. Based in Birmingham, Alabama, Charles Greene is prepared to provide zealous legal representation to individuals seeking rightful compensation for life-changing injuries.
