Jan K. Durrani is an attorney in Morgan & Morgan, P.A.'s Pensacola office. He graduated cum laude from The Ohio State University with a Bachelor of Arts in International Studies. Jan then received his Juris Doctorate from the University of Alabama School of law in 2012. He also holds a Master's in Business Administration.

Before becoming a plaintiff's attorney, Jan worked for nearly nine years at two statewide, trial law firms in Orlando, Florida, where he gained extensive experience defending corporations in complex product liability, medical malpractice, trucking, general negligence, premises liability, and commercial actions. A partner in both firms, Jan defended Fortune 500 companies until he was injured himself several years ago when a firepit exploded at his apartment complex and he suffered serious burns all over his body. After a long, but successful recovery, Jan decided he wanted to use his legal expertise to help other personal injury victims.

"It was eye-opening to see how victims are treated," Jan explained. "Being injured myself, I'm glad for the opportunity to fight for the people at such a prominent and respected law firm like Morgan & Morgan"

Since transitioning to Morgan & Morgan, P.A., Jan focuses his practice on personal injury and civil trial litigation, and fights for those who have been injured by the negligence of others. Jan now uses his experience as a former Plaintiff, strong work ethic, competitive nature, and experience/knowledge obtained from representing large corporations and insurance companies to achieve the best results for his clients.
