EDUCATION

Mercer University

Mercer University School of Law

Olivia Nation is a dedicated attorney specializing in premises liability law, committed to advocating for individuals who have suffered injuries due to negligent property conditions. Along with her knowledge and experience in the legal field, Olivia brings compassion to every case and every client.

Olivia earned her Juris Doctor from Mercer University School of Law, where she demonstrated a passion for civil justice and a keen understanding of legal principles. Prior to law school, Olivia completed her Bachelor of Arts at Mercer University, laying the foundation for her legal career.

Throughout her career, Olivia has focused on representing clients in premises liability actions, advocating for individuals who have been injured on another party's property due to hazardous conditions, negligent security, or other preventable factors. She is known for her meticulous approach to case preparation and unwavering dedication to securing the best outcome for her clients.
