EDUCATION

University of North Florida 2016

Florida Agricultural and Mechanical University College of Law 2020

Noah Jacovitz is an attorney in Morgan & Morgan's Orlando office. Mr. Jacovitz earned his Juris Doctor degree from Florida Agricultural and Mechanical University College of Law in 2020. He also holds an undergraduate degree from the University of North Florida.

Throughout his entire legal career, Mr. Jacovitz has been dedicated to the practice of helping those in need through his prior career as a criminal defense attorney and now as a personal injury attorney. His dedication allows him to provide his clients with unparalleled knowledge and representation. What sets Mr. Jacovitz apart is his ability to pivot and implement winning case strategies with meticulous attention to detail. He also believes in the power of communication and takes the time to engage with his clients, ensuring they understand the legal process and big picture goals of their cases. His communication and patience in answering client questions is a hallmark of his practice.
