EDUCATION

Stetson University College of Law - J.D. 2011

University of New Haven - B.S. 2006

St. Petersburg College - A.A. 2016

John D. McBride is a highly accomplished attorney based in Spring Hill, FL, where he brings his extensive expertise as a Board Certified Civil Trial Attorney. With an AV Preeminent rating—an esteemed peer award recognizing the highest level of professional excellence—John is admitted to practice in all Florida state courts and the federal court for the Middle District of Florida. He is also a proud member of the prestigious Million Dollar and Multi-Million Dollar Advocate Forums.

Originally from New York, John earned his degree in Fire Protection Engineering from the University of New Haven. He began his career with an engineering firm, where he played a vital role in the design and redevelopment of the World Trade Center post-9/11. This early experience in high-stakes environments laid the foundation for his future legal career.

John later moved to Florida to pursue his law degree at Stetson University College of Law. After graduation, he joined the Pinellas County State Attorney's Office, where he honed his trial skills by trying over 40 cases, including first-degree and capital felonies. He earned recognition for his work prosecuting impaired drivers and served as the office's sole arson prosecutor, as well as a member of the elite Vehicular Homicide/DUI Manslaughter Squad.

John's career then took him to one of the largest insurance companies in the U.S., where he successfully defended complex and high-value auto negligence cases. In addition to his courtroom success, he managed several offices and trained attorneys and staff throughout Florida in civil trial practice.

Beyond his legal achievements, John has always been passionate about helping others. As a former firefighter and EMT, he was part of the disaster relief team that evacuated and served New Orleans after Hurricane Katrina. He was also a member of his county's Hazardous Materials Response Team and enjoys teaching EMT and Paramedic students, guiding them towards certification in the EMS field. An Eagle Scout himself, John embodies a lifelong commitment to service.

John and his wife, who met over 20 years ago while working for an ambulance service, enjoy traveling and spending time with their son and three dogs. His well-rounded life experience, combined with his dedication to justice, makes
