Stetson University, 2022 - Masters in Business Administration

Stetson University College of Law, 2022 - Juris Doctor

Marisabel Morejon is a dedicated Litigation Associate Attorney at Morgan & Morgan, focusing on representing individuals and families in personal injury cases. Marisa, a Florida native, earned a dual bachelor's degree in finance and legal studies from the University of Central Florida, demonstrating her passion for both the legal and business worlds. She furthered her education at Stetson University College of Law, earning a dual Juris Doctor and Master of Business Administration degree and a Certificate of Concentration in Business Law.

While at Stetson, Marisa distinguished herself academically and in extracurricular activities. She co-founded and served as Executive Editor of the Stetson Business Law Review and competed in the National UCLA Transactional Drafting and Negotiation Competition. Marisa also excelled as a Dispute Resolution Board member and as a Teaching Assistant for Professor Ellen Podgor's White Collar Crime course. Her leadership extended to her role as President of Stetson's Phi Alpha Delta Law Fraternity and as a Student Interviewer for the Faculty Recruitment Committee, all while serving as a Stetson Ambassador.

Before joining Morgan & Morgan, Marisa gained extensive experience handling civil litigation and construction defect cases as an Associate Attorney. She managed lawsuits involving third-party and first-party claims throughout Florida, working on pleadings, discovery, depositions, mediations, and trial preparations. Now, she applies her comprehensive litigation skills to her personal injury practice, passionately advocating for clients during difficult times. Outside work, Marisa enjoys traveling, experimenting with new recipes, and spending quality time with her beloved pup, Holly.
