Robert "Bob" Smith is a dedicated personal injury attorney with a strong background in litigation and alternative dispute resolution. He earned his Bachelor of Arts in History from California State University, Sacramento, before obtaining his Juris Doctor from McGeorge School of Law. Bob began his legal career representing hospitals, physicians, oral surgeons, dentists, and other medical providers in medical malpractice litigation. After years of defending complex cases, he realized his true passion was advocating for individuals who have been injured due to negligence.

For the past five years, Bob has focused on representing victims of car crashes, slip and fall incidents, dog attacks, and assault and battery cases. He has successfully litigated complex cases as a senior trial attorney at Wilshire Law Firm and later served as a partner at MLG Attorneys at Law, where he led the litigation team in high-stakes personal injury and product defect cases. Bob is admitted to practice law in both California and Nevada state and federal courts, bringing extensive trial experience and a deep understanding of personal injury law to his clients.

In addition to his litigation work, Bob is a certified mediator and serves as a court-appointed arbitrator in Clark County, Nevada, overseeing numerous arbitration proceedings. His ability to blend mediation, arbitration, and aggressive trial advocacy allows him to secure the best possible outcomes for his clients. Now at Morgan & Morgan, Bob's dedication to personalized legal representation and strategic litigation aligns perfectly with the firm's mission of fighting for the people, not the powerful.
