EDUCATION

Emory University, English and History, 2013

Georgia State University College of Law, 2018

Christopher is an attorney in Morgan & Morgan's Orlando office. Raised in Atlanta, Georgia, Christopher received his bachelor's degree in English and History from Emory University. He found his passion for litigation in law school while competing on Georgia State University's mock trial team, winning a national championship and a Best Advocate Award. Christopher was named to the Order of Barristers, the national honor society for trial advocacy, for his proven litigation skills. After graduation, he and his wife decided to make Florida their home.

Before joining Morgan & Morgan, Christopher worked trying cases as an Assistant State Attorney. His last three years in prosecution were dedicated exclusively to obtaining justice for children and special victims. He has met many people at the hardest moment of their lives and been the advocate that they deserve, giving hundreds of victims and families of victims justice. Christopher came to Morgan & Morgan to continue fighting for people when they need it most.

Outside of the office, Christopher loves spending time with his wife and children, listening to audio books, and exploring our nation's National Parks.
