Michael DiRenzo is a dedicated personal injury attorney at Morgan & Morgan's Las Vegas office, where he focuses on car accident cases. Originally born in Maine, Michael moved to Las Vegas in 1992 and has called the city home ever since. He attended the University of Nevada, Las Vegas, where he earned a B.A. in Political Science and a B.S. in Public Administration, laying the groundwork for a future in law and public service.

Michael went on to earn his Juris Doctor from the University of La Verne College of Law. While he initially set out to become a sports agent, a unique opportunity in personal injury law shifted his path, and he hasn't looked back. He quickly discovered a passion for helping people through some of the most difficult moments of their lives and has since built a career on fighting for those injured due to the negligence of others.

Outside the courtroom, Michael is a proud supporter of all things Boston—especially the Celtics, Red Sox, Bruins, and Patriots. When he's not working on behalf of his clients, he enjoys spending quality time with his wife and two kids. With deep roots in the Las Vegas community and a genuine passion for justice, Michael is proud to stand up for the people who need it most.
