Obtaining several eight-figure verdicts against Fortune 500 companies before his 40th birthday, Brent Bigger is one of the most accomplished Florida trial lawyers of his generation. Recently, following a hard fought trial, he obtained a $104 million verdict against Ford Motor Company. In addition, he has obtained dozens of eight-figure and seven-figure verdicts and settlements for his clients. Regardless of the stakes or the results, Brent passionately fights to ensure that his clients receive the best result possible and genuinely cares about counseling clients during the recovery from tragic circumstances.

As a trial lawyer for over twenty years, Brent is Board-Certified in Civil Trial Law by the Florida Bar. He routinely handles products liability, fire, trucking, birth injury and other complex serious personal injury and wrongful death cases.

His greatest blessings, however, are being the loving husband of his wife, Becky, and the proud father of his three children: Abby Grace, Sophie Anne, and Brooks Bradley.
