Law, Magna Cum Laude, 2024

Faith Gosselin is a dedicated Pre-Suit Attorney at Morgan & Morgan, focusing on automobile accident cases across Florida. Her journey with the firm began during law school when she joined the Morgan Associate Program, gaining hands-on experience and a deep understanding of personal injury law. After successfully passing the Florida Bar Exam in 2024, Faith officially joined the team, eager to continue advocating for those injured due to others' negligence.

Before her time at Morgan & Morgan, Faith explored various legal practice areas, including criminal defense, VA disability compensation, and business law. This diverse background gave her a well-rounded perspective and the ability to approach personal injury cases with insight, precision, and empathy. Through these experiences, Faith discovered her passion for personal injury law, driven by her desire to make a meaningful impact in the lives of everyday people.

Today, Faith is known for her commitment to securing the best outcomes for her clients and guiding them through what is often one of the most challenging times in their lives. She brings compassion, determination, and strong advocacy to each case she handles, making her a trusted ally for individuals seeking justice and fair compensation.
