Benjamin is a dedicated personal injury attorney based in Morgan & Morgan's Key West office, where he focuses his practice on personal injury, premises liability, and slip and fall cases. A proud Florida native, Benjamin graduated cum laude from the University of Florida in 2015 and continued on to earn his Juris Doctor from the University of Florida's Fredric G. Levin College of Law in 2018.

Before joining Morgan & Morgan, Benjamin gained valuable experience working for a large insurance defense firm. There, he developed a deep understanding of how insurance companies evaluate and defend claims—insight he now uses to advocate effectively for individuals who have been injured due to the negligence of others. His transition from defense to plaintiff's work reflects his passion for helping everyday people navigate the legal system and seek justice.

At Morgan & Morgan, Benjamin brings both compassion and sharp legal acumen to each case. He is committed to keeping his clients informed, empowered, and well-represented throughout the legal process. Whether negotiating a settlement or preparing for trial, Benjamin works tirelessly to ensure his clients receive the compensation they deserve.
