Robert S. Pfersich, Jr., is a seasoned trial attorney who has dedicated his entire legal career to representing individuals catastrophically injured in truck accidents, motor vehicle crashes, and other acts of negligence. He takes a strategic, trial-first approach to litigation - working to uncover liability, build clear and compelling medical causation, and position each case for maximum recovery—whether at the negotiating table or before a jury.

Before joining Morgan & Morgan, Robert served for nearly a decade as lead trial counsel at a respected New Jersey personal injury firm. There, he focused exclusively on representing accident victims statewide, with particular emphasis on high-stakes litigation involving commercial motor vehicles and catastrophic spinal or brain injuries. Known for his results-oriented mindset and methodical litigation strategy, Robert has successfully resolved numerous complex injury cases, including several multimillion-dollar recoveries.*

Robert is an active member of the Academy of Truck Accident Attorneys (ATAA), the New Jersey Association for Justice (NJAJ), and the American Association for Justice (AAJ). He is admitted to practice in all state courts in New Jersey and Pennsylvania, as well as the United States District Courts for the District of New Jersey and the Eastern District of Pennsylvania.
