Omar Subat, an Orange County native, is a distinguished attorney with 10 years of legal experience. His areas of expertise span Premises Liability, Personal Injury, Product Liability, Auto/Trucking cases, and Wrongful Death/Survival Actions.

Omar received his Bachelor's Degree from the University of California, Santa Barbara. He then went on to earn his Juris Doctorate from St. John's University School of Law, which he attended with a St. Thomas More full-tuition scholarship. Omar began his legal career representing Fortune 500 companies in the handling of premises liability, negligence, automobile/trucking liability, and product liability cases. In 2022, he successfully argued and overturned a multiple six-figure jury verdict judgment against his client at the California Court of Appeal.

After nearly a decade in representing corporations and insurance companies in defense matters, Omar gained an insider's understanding of the strategies used to limit or deny fair compensation to victims. This firsthand experience inspired Omar to shift his practice to advocating and fighting for people, not the powerful. Today, he uses that knowledge to anticipate and counter the tactics of insurers, ensuring that his clients receive the full recovery that they deserve.
