Christopher J. Bilecki is a skilled attorney at Morgan & Morgan's Winter Park office, where he focuses his practice on birth injury, medical malpractice, personal injury, and brain injury cases. Born and raised in upstate New York, Christopher eventually made his way to Florida to pursue his legal education—and escape the cold winters. He earned his Bachelor of Science in Management, magna cum laude, from St. John Fisher College in 2005, before completing his Juris Doctor at Barry University School of Law in 2008.

While in law school, Christopher began working for a personal injury attorney and quickly discovered his passion for helping people and understanding the medical complexities behind injury cases. From the very beginning of his legal career, he has exclusively represented plaintiffs, guiding clients through every stage of the legal process—from case inception to trial and appeals. His deep commitment to advocacy and justice has made a lasting difference in the lives of countless clients.

Over the years, Christopher has secured millions of dollars in compensation for injury victims, with a particular focus on life-changing birth injury cases. He brings a combination of legal skill, medical knowledge, and genuine compassion to every case he takes on. Whether in the courtroom or at the negotiation table, Christopher fights tirelessly to ensure his clients receive the justice and support they deserve.
