EDUCATION

University of North Florida 2019

Alex Harrison is a dedicated workers' compensation attorney at Morgan & Morgan's Charleston, South Carolina office, where he focuses on advocating for injured workers in their time of need. Born and raised in Jacksonville Beach, Florida, Alexander earned his undergraduate degree in Political Science from the University of North Florida in 2019, with minors in History and Business Management. He went on to attend the Charleston School of Law, where he graduated in 2022 and was an active member of the Trial Advocacy Board, sharpening his courtroom skills and passion for litigation.

Before joining Morgan & Morgan, Alex worked for a workers' compensation defense firm representing employers and insurance carriers. This experience provided him with valuable insight into how claims are evaluated and defended. Today, he uses that knowledge to skillfully advocate for injured workers, ensuring they are treated fairly and receive the compensation they deserve. His well-rounded background gives him a strategic advantage when guiding clients through the complexities of workers' compensation claims.

Outside the office, Alex enjoys life in the Lowcountry, spending time outdoors and taking in all the Charleston area has to offer. He's a proud dog dad and a lifelong sports fan, always cheering on the Jacksonville Jaguars and the Atlanta Braves. Whether in the courtroom or the community, Alex brings a thoughtful, client-first approach to everything he does.
