EDUCATION

Juris Doctor, Florida International University College of Law - 2018

Stephanie M. Zinni is an attorney in Morgan & Morgan's Fort Lauderdale office, where she represents individuals injured due to the negligence of others. Her practice focuses on premises liability and general negligence claims, including slip-and-fall accidents, trip-and-fall accidents, and injuries arising from dangerous property conditions.

Stephanie earned her Juris Doctor from Florida International University College of Law in 2018 as a Dean's Scholarship recipient. During law school, she served as President of the Negotiation and Arbitration Team and was a member of the Moot Court Team.

Before joining Morgan & Morgan, Stephanie spent nearly seven years practicing insurance defense, representing insurance companies and their insureds, including at a prominent statewide Florida law firm. This experience gave her firsthand insight into how insurance companies evaluate claims and develop defense strategies. She now uses that knowledge to anticipate challenges, navigate litigation, and advocate effectively for injured clients.

Stephanie is a member of the Florida Justice Association and The Florida Bar's Animal Law Section. She and her legal team also speak Spanish, allowing them to communicate directly with Spanish-speaking clients and guide them through the legal process in their preferred language.

Stephanie understands that an injury can disrupt nearly every aspect of a person's life, from their health and livelihood to their sense of stability. She is committed to providing compassionate, personalized representation and ensuring her clients feel heard, informed, and supported throughout their cases. Through dedicated advocacy, she strives to hold negligent parties accountable, secure the compensation her clients deserve, and help them move forward with confidence.
