EDUCATION

Indiana University- Robert H. McKinney School of Law

Andrew is a true Hoosier at heart, having been born and raised in the Indianapolis area. He grew up in Plainfield and went on to attend the University of Indianapolis, where he balanced his studies with playing soccer. Following his undergraduate years, Andrew pursued his passion for the law at the Indiana University Robert H. McKinney School of Law, where he built the foundation for his future career in advocacy. In law school Andrew participated in Moot Court where he got his first taste of the courtroom. He also served in the Criminal Defense clinic representing defendants that could not access legal counsel.

Since graduating law school in 2020, Andrew has centered his professional life on personal injury law. He currently serves clients at the Morgan and Morgan Indianapolis office, where he focuses on representing individuals involved in car, truck, and motorcycle accidents. His commitment to this field is driven by a deep desire to help people during some of the most challenging moments of their lives, ensuring they receive the support and legal representation they need.

When he is not advocating for his clients, Andrew enjoys life in Brownsburg with his wife, their two boys, and their two Australian shepherds. He is a devoted foodie who loves exploring the local culinary scene with his wife, whether they are hunting for the best new restaurant or finding the perfect scoop of ice cream in the area. In his spare time, he enjoys working out, hiking, traveling, live music, or simply enjoying the fun of chasing his boys around.
