EDUCATION

California State University, Los Angeles -- 2017

Syracuse University, College of Law -- 2024

Edvard Mikayelyan built a remarkably successful ten-year career in the corporate world before ever entering the legal profession. During this decade, he managed major accounts for a multinational banking corporation, earning a reputation for sharp analytical skills and high-level strategy as he climbed the ranks to become an Assistant Vice President. While thriving in the financial sector, Edvard felt a strong pull toward a career where he could advocate more directly for individuals. This inspired him to pursue higher education, starting at California State University, Los Angeles, where he excelled in his coursework and graduated magna cum laude with his undergraduate degree in 2017.

Driven by his passion for justice, Edvard then attended Syracuse University College of Law to earn his Juris Doctor in 2024. Throughout law school, his corporate work ethic and excitement for learning translated into outstanding academic and leadership achievements. He consistently earned a spot on the competitive Dean's List, actively shaped the campus community as an involved member of the Student Bar Association, and was later selected to serve as a trusted 3L Advisor to mentor incoming law students.

Today, Edvard brings his unique blend of corporate banking expertise, elite legal training, and a deeply compassionate attitude to his practice as an attorney. He focuses his skills on helping individuals navigate the aftermath of serious car accidents and other personal injury matters. Known for his welcoming demeanor and a highly determined approach, Edvard commands the courtroom and guides his clients smoothly through the complexities of the legal system to ensure they receive the full support and justice they deserve.
