EDUCATION

California State University,
Fullerton 2006

Southwestern Law School,
Scale Accelerated Program
2018

Patricia Garcia is a personal injury attorney whose practice is dedicated to representing individuals who have suffered life-changing injuries due to the negligence of others. She focuses on personal injury matters including trucking accidents, motor vehicle collisions, spinal cord injuries, traumatic brain injuries, and other catastrophic injury cases. Patricia is committed to helping injured clients understand their rights while aggressively pursuing the full and fair compensation they deserve.

Before attending law school, Patricia proudly served four years on active duty in the United States Marine Corps. Her military service instilled the discipline, resilience, and unwavering sense of responsibility that continue to define her practice today. The values she developed as a Marine have shaped her into a strategic, determined attorney whose tenacity and preparation have helped secure multiple seven-figure recoveries for her clients.

Patricia's commitment to excellence has earned her recognition as a Super Lawyers Rising Star for 2025, 2026, and 2027, an honor awarded to no more than 2.5% of attorneys in each state.

Proud to serve the Los Angeles community as part of the Morgan & Morgan team, Patricia is passionate about making a meaningful difference in the lives of individuals and families facing the aftermath of devastating injuries. She believes every client deserves not only exceptional legal representation, but also an advocate who genuinely cares about their recovery and their future.

In addition to her practice, Patricia is a member of the Consumer Attorneys of California, the Consumer Attorneys Association of Los Angeles, and the Academy of Truck Accident Attorneys. She also serves on the Board of Directors for the Latina Lawyers Bar Association, where she works to expand opportunities for underrepresented students through leadership initiatives and educational programs designed to support the next generation of legal professionals.
