EDUCATION

Suffolk University Law School - 2013

Boston University - 2006

Attorney Matthew Maalouf represents individuals and families whose lives have been impacted by catastrophic injury or wrongful death. His practice focuses on personal injury litigation involving car, motorcycle, and truck accidents, and other serious injury claims.

Matt is a compassionate and skillful advocate that takes the confusion, complexity and guesswork out of what can be, for most people, the most harrowing experience of their life.

Matt takes a comprehensive approach, leaving no stone unturned when seeking justice on behalf of his clients.

Before joining Morgan & Morgan, Matt was a partner at a prominent New Hampshire personal injury firm and spent more than a decade representing injured clients throughout Massachusetts and New Hampshire, developing extensive experience in every stage of personal injury litigation, from initial investigation through trial. His advocacy has earned recognition from both his peers and the legal community. Matt was named a Top 40 Under 40 Civil Plaintiff Attorney in New Hampshire by The National Trial Lawyers from 2022 through 2024 and was selected as a Top 100 Civil Plaintiff Attorney in New Hampshire in 2025. He has also been recognized by Super Lawyers in 2023, 2024, and 2026, and was selected for inclusion in the 2026 edition of The Best Lawyers in America® for Personal Injury Litigation – Plaintiffs.

Matt earned his Bachelor of Science degree from Boston University and his Juris Doctor from Suffolk University Law School. During law school, he represented the Commonwealth of Massachusetts as a student prosecutor with the Suffolk County District Attorney's Office. He was also a leading competitor on Suffolk University's nationally ranked Trial Team and served as a founding officer of the University's Lebanese-American Law Student Organization.
