Chris helps Floridians injured in car accidents as a pre-suit personal injury attorney in Jacksonville, Florida. He received his law degree from the University of Florida Levin College of Law. During law school, Chris served as the vice president of the school's Trial Team beginning in 2022 and has continued serving as a competition coach ever since. Pursuing his passion for courtroom advocacy, Chris worked as a certified legal intern for the State Attorney's Office in both Fort Myers and Gainesville, where he completed several criminal trials before graduating from law school. Chris was inducted into The Order of Barristers in 2023 for his accomplishments. In the same year, he researched and co-authored *Harvesting the Sun: A Sustainable Approach for Florida's Greenbelt Law*, a paper published in the *Florida Bar Journal*, which later won the Journal's annual Excellence in Writing Award.

Wanting to sharpen his litigation skills while serving the people of Florida, Chris worked as a prosecutor for the State Attorney's Office in Osceola County for three wonderful years after graduating law school. In that time, Chris worked on complex cases for the Special Victims Unit and completed approximately 40 jury trials. In 2024, he won the office's Trial Warrior award for completing the most trials in Osceola County. In 2025, he won it again.

Chris is proud to bring his experience to Morgan & Morgan, where he will continue to serve Florida and stand up for those who need it most.
