EDUCATION

Indiana University - 2018

Stetson University College of Law - 2026

Paige Robertson began her academic path at Indiana University, earning her undergraduate degree in 2018. Guided by a deep passion for helping others in their most vulnerable moments, she initially dedicated her career to serving as a victim's advocate within the criminal justice system. That meaningful experience provided her with profound empathy, a patient listening ear, and a firsthand understanding of how unexpected trauma impacts individuals and families. Driven to expand her advocacy into the courtroom, Paige attended Stetson University College of Law, earning her Juris Doctor in 2026. While in law school, she immersed herself in trial practice and civil litigation, including spending the summer of 2025 as a dedicated summer associate with Morgan & Morgan.

Today, Paige brings that compassionate perspective and energetic commitment to the Morgan & Morgan team at the Ft. Myers office, where she concentrates her practice on car accident claims and personal injury litigation. Warm, approachable, and attentive, she treats every client with the personal care they deserve, ensuring they feel supported, informed, and heard throughout the entire legal process. Paige takes genuine pride in standing up for everyday people, fighting diligently to ensure injured individuals receive the rightful care, accountability, and compensation they need to move forward with confidence.
