EDUCATION

Princeton University, AB - 2021

Georgetown University, MPP - 2023

Florida International University College of Law, JD - 2026

Connor Udell was born and raised in Orlando, Florida, developing an early appreciation for teamwork, leadership, and community service. He began his higher education at Princeton University, earning his Bachelor of Arts from the School of Public and International Affairs in 2021 along with a Certificate in the History and Practice of Diplomacy. While at Princeton, Connor competed as a pitcher on the varsity baseball team and was elected team captain. He continued both his academic and athletic pursuits at Georgetown University, pitching for the varsity baseball team while earning a Master of Public Policy from the McCourt School of Public Policy in 2023.

Guided by a desire to pair policy insight with courtroom advocacy, Connor returned to his home state to attend Florida International University College of Law, where he earned his Juris Doctor in 2026 and served as a member of the FIU Law Review. Throughout law school, he built a strong foundation in appellate and civil litigation, completing a judicial internship with the Honorable Fleur Lobree at Florida's Third District Court of Appeal and gaining hands on experience as a commercial litigation law clerk. He also joined Morgan & Morgan as a MAP Summer Associate in the summer of 2025, experiencing firsthand the firm's dedication to representing everyday people.

Today, Connor brings that blend of athletic discipline, academic rigor, and practical litigation training to his practice at Morgan & Morgan. Approachable, attentive, and deeply committed to the people he serves, he takes pride in standing beside injured individuals and families to help them navigate complex legal challenges. Connor approaches every case with thorough preparation and genuine care, working diligently to hold responsible parties accountable and secure the justice his clients deserve.
